How support reaches families

Impact Buckingham is a small, volunteer-run charity supporting families in Buckingham and the surrounding villages. Our Christmas and school holiday campaigns help families with children eligible for Pupil Premium funding. Local schools identify families using their professional knowledge and Pupil Premium records, so support is offered confidentially and with dignity.

75 Christmas hampers

December 2025: our first campaign provided hampers for 75 local families. This is a completed campaign result.

Christmas 2026

Our current Christmas appeal is raising money for supermarket vouchers for local families with children eligible for Pupil Premium funding. We are asking for money rather than food or gifts.

How your donation is used

Our founders and trustees cover running costs separately. Public donations support family help and reserves. Gifts support the charity's work where they are needed most.
